The image shows the box art for the LEGO Livi On Tour set. The box is primarily pink and black, with a large window revealing the interior. Inside, five Livi minifigures are shown: four are on a stage with a pink floor and yellow stars, and one is at the controls of a vehicle. The background is a vibrant purple and pink sky with a large orange comet or planet. The title 'Livi ON TOUR' is prominently displayed at the bottom in a stylized, bubbly font. The LEGO logo is visible in the bottom left corner.
